

Polar LED PANEL LIGHT

Modular panel light, Easy installation , efficiency with high quality.

Multiple Assembly types

▶ 	 DAYLIGHT SENSOR	 1-10V Dimmable	 PIR sensor	 tunable white
▶ 	SAA	CB	CE	UK CA
▶ 				
▶  50000h Lifetime	DF ≥ 0.9	UGR < 19	 5-Years Warranty	CRI 80 optional CRI 90

Polar system has a low glare rating (UGR < 16), thereby protecting against excessive fatigue and gradual deterioration of vision. Led Modules easy replace for environmental protection, reduce inventory and maintenance costs. Different sizes can be customized according to engineering requirements
